To

The Chief Secretary to Government,

Public Department,

M a d r a s.

Through

The Revenue Divisional Officer,

Mangalore Division.

and

The Collector of

South Kanara.

Humble petition of G. Ananthaya, -- Head Clerk, Taluk Office, Man--galore and acting 2nd Clerk, Revenue Divisional Office, --- Mangalore Division.

Dated: 23rd February 1921.

S i r,

I humbly and respectfully beg to represent the fol--lowing facts for the kind consideration and favourable or--ders of the Government.

2. I have passed the F.A. Examination, the Trans--lation Test. the Account Test and the Revenue Test - Lower Grade and also the Precis Writing Test - Higher Grade and -- count a total pensionable service of 26 years.

3. I have served as a clerk in the Taluk, Divisional and Collector's Offices for a very long time and also acted as Revenue Inspector for one year and four months and dis--charged my duties to the satisfaction of my superiors.

4. I had also undergone six weeks' Survey Training in 1907 and 1910 and appea red for the examination in 1909 and 1912. As I was unwell on the 2nd day of the examination held in 1909, I could not appear on the subsequent days. In 1912 I appeared for the examination, but unfortunately failed.

Under B. S. O. 141, para 3(ii), there is a third chance left open for me on payment of Rs.25/-. But I regret to submit that my present age - Viz., forty-nine years, and nervous pain in one of my legs prevent me from appearing again. I there-fore beg that in consideration of my qualifications and long service, and also the fact of my having finished the Revenue Inspector's course long ago, I may be kindly exempted from the operation of the Survey Test in order to enable me to secure promotion in clerical line in the Huzur or Divisional offices.

2. The applicants Case is indeed a very hard one. He has all the necessary qualifications to hold appointments higher than the grade of Rs 35. He is quite efficient and I am very well impressed with his work. He has good practical knowledge of the Survey work required for Rev. Inspectors. The only disqualification in his Case, which, I am rather inclined to Consider to be more technical, is that he has not passed the survey examination. He is too old to go for that examination now. He is almost at the fag end of his service I think his Case is one which deserves a Special Consideration and I strongly recommend that his request may be favourably Considered

Petitioner's case is a peculiar one as he has already undergone training as Revenue Inspector but has not passed the Survey Test. He only desires promotion in the clerical line which he appears to deserve but from which he is debarred -- by not having passed the Survey Test.
